

NATIONAL CHRYSANTHEMUM SOCIETY

SOCIETY RENEWAL / ORDER FORM 2019 We did have a bonus on the Sunday with England playing a vital world cup match, the organisers at Derby had arranged to have what looked to be a forty foot Screen erected to allow visitors to watch the match ably won by England may I say.

Dear Secretary

Thank you for being affiliated to the NCS, your membership is very much valued and we hope that your Society will consider it worthwhile to rejoin again this year. The N.C.S. offers you the opportunity to purchase medals for your shows, together with a wide range of other services, including member's publications of a continued high standard, including a largely colour year book. We continue to have a presence at major shows and in 2017 we will again be at Chelsea. We continually review our activities, seeking ways to improve the services we offer to members. Silver medals are awarded for winning Society exhibits at the National shows.

See below a detachable renewal form on which we have a selection of our merchandise to make it easier to order. Please include all items on a single cheque/postal order (made payable to The National Chrysanthemum Society). You can also contact me by phone, letter or E mail.

If you have an E Mail address it would be appreciated if you could include it.

You may now renew your membership, and also purchase NCS Publications by Pay Pal on line

Web site - www.nationalchrysanthemumsociety.co.uk

We look forward to you renewing your affiliation with the Society.

Yours sincerely

Barry Hogg Society Affiliations & Sales Manager (Tel. 01302 722501) E Mail barryhoggxanths@aol.com
